

ACT CleanUP

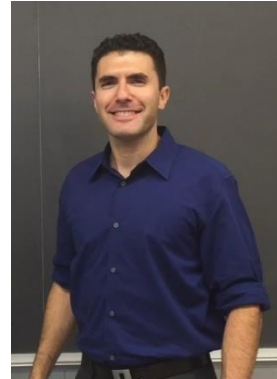

Enrollment Form

Patrick Echausse - Math

Patrick has taught math for over 25 years and is skilled at identifying key needs for his students and then helping them turn those deficiencies into strengths. Patrick is a big believer in teaching key skills found solely on the SAT and ACT and spiraling them through his teaching. As a result, students are repeatedly exposed to the fundamentals needed for success and, in turn, find their scores increasing.

Laurence Mechanic - English

Laurence has taught English for 15 years. He is an expert testing strategist who excels in helping students understand how to approach the test and increase their scores. His methods allow all students to develop their test-taking skills and gain confidence as test takers. Read his book entitled *Setting Yourself Up for Success: A Guide to Help You Make the Best Decisions about the SAT, ACT, & College Process* by going to precisiontestprep.com/free-ebooks.

Student's Name: _____

Parent/Guardian Name: _____

Email Address: _____

Phone: _____ School Code: (Check website) _____

5% of the proceeds goes back to your local PTA Scholarship Fund

Can't make the 15th? Create your own ACT CleanUP with some friends
